

# We care for Central Texas.

Our commitment to our community flows from our Catholic mission to serve. Over the past ten years, Ascension Texas has provided over \$5.4 billion in community care. The annual average is more than \$548 million. For over a century, Ascension Texas has delivered compassionate, personalized care to all, with special attention to persons living in poverty and those most vulnerable. Ascension Texas operates 14 hospital campuses, more than 298 related healthcare facilities and employs more than 590 primary and specialty care clinicians throughout Central Texas.
